## Best Wishes Birthday Basket

Parents can now eliminate the hassle of baking and delivering birthday snacks to school. Stop worrying if the snack you provide is nutritious and safe for students with allergies.

Order a Best Wishes Birthday Basket from the Bellville School Nutrition Department and we will take care of everything.

What is included in a Best Wishes Birthday Basket?

- A decorative basket or box for the birthday child to keep
- Two snacks, selected by you, for each child in the classroom.
- 1-2 small prizes for each child in the classroom (pencils, stickers, novelties)
- A birthday card signed with your message.

How much does a Best Wishes Birthday Basket cost?

- \$1.50 per child (classroom enrollment)
- A \$4.00 fee will be added for classrooms with less than 10 students.

How are allergy concerns addressed?

- Snacks offered in the birthday basket are peanut free and are safe for children with peanut allergies.
- The staff will work with the school nurse to determine if any other special dietary needs exist in the classroom.

How does my child receive the birthday basket?

- The birthday basket will be delivered directly to your child's classroom on the morning of his/her birthday by the cafeteria manager.
